Seafront Zeebrugge

There is lots to do and discover in the buildings of the Old Fish Market: as well as shops, restaurants and cafes, you will also find the Seafront theme park. Learn about coastal tourism past and present, explore the fascinating world of fish and fishing, and let yourself by catapulted back in time to the era of the hellish World Wars. The West-Hinder lightship, which once guided ships safely at sea, is now permanently moored alongside the quay as a reminder of a rich maritime heritage. Seafront continues to develop. Among other things, there is a varied program of (temporary) exhibitions on themes relating to the sea. Make sure you check the website before your visit for the most up-to-date information.
