Sint-Janshospitaal

Saint John’s Hospital has an eight hundred-year-old history of caring for pilgrims, travellers, the poor and the sick. Visit the medieval wards where the nuns and monks performed their work of mercy, as well as the chapel, and marvel at the impressive collection of archives, art works, medical instruments and six paintings by Hans Memling. Also worth a visit: the Diksmuide attic, the old dormitory, the adjoining custodian’s room and the pharmacy.
