Beisbroek

Together with the adjoining Tudor and Chartreuzinnenbos grounds, the Beisbroek site offers a green space of around 160 hectares with woodland, lanes, grassland and heath. These areas form part of the castle woodlands to the southwest of Brugge. They offer pleasant walking and cycling. You can also eat al fresco in one of the picnic areas. Nature lovers can head for the nature centre for an interactive exhibition and a “kids’ lab”. At Beisbroek you can also visit Cozmix, the public observatory and planetarium.
