Bezoekerscentrum Jules Destrooper (Jules Destrooper Visitors' Centre)

This story started in 1886 when Jules Destrooper began production of biscuits. These days you can enjoy the authentic, world-famous and high-quality biscuits in over 75 countries. The visitors' centre takes you through this rich history and shows you how the biscuits are made today. In the testing bakery you will also get a professional explanation and take part in a real testing session.
