Brouwerij De Halve Maan (Brewery)

This authentic brewery in the centre of Bruges is a family business with a tradition stretching back through six generations to 1856. This is where the Bruges city beer - the Brugse Zot - is brewed: a strong-tasting, high-fermentation beer based on malt, hops and special yeast. In 2016 a unique underground beer pipeline, some 3 km long, was laid from the brewery to the bottling plant in the suburbs. Daily tours of the brewery are organized, at the end of which visitors are offered a free glass of Brugse Zot blond beer.
