Kaap (Art Centre)

Through a series of intense collaborations and a programme of words, images and music, KAAP (The Centre for Contemporary Art) aims to play a key role in the social debate and in reaching, surprising, inspiring and bringing together people from all backgrounds. The centre operates at two locations in Bruges. In De Groenplaats, young artists and performers can develop their work in peaceful and quiet surroundings. De Werf is the place for anyone who loves exciting theatre and swinging jazz from the four corners of the world.
