

Infokantoor (Information office) Markt (Historium)

A tourist office in the heart of the centre is absolutely essential in a city like Bruges! The Historium is a tourist attraction which will whisk you away to Bruges' golden era. It is located on the corner of Market Square and Philipstockstraat. As well as a museum, the building houses a tourist information desk, making this the perfect spot for visitors to learn about the history of the city as well as accessing tourist information including:

- Advice in a number of languages about tourist activities in Bruges, Bruges' woodlands and wetlands and the Coast
- Free city map showing the highlights, museums, churches and more
- Brochures and flyers about the museums
- Temporary activities such as exhibitions and events
- A selection of bicycle and walking maps which include some great tips
- Reservations for the 'Bruges from the heart' guided tour
- Departure point with a guide for the 'Bruges from the heart' guided tour
- Sales of the Musea Brugge Card

Please note: due to Covid 19 measures, the tourist office has temporarily relocated in order to ensure the safety of all visitors. The office is currently located in the Historium courtyard instead of its usual spot in the building.
