MA Festival 2020: Your Window into Early Music

A summer with no MAfestival for the first time in 57 years? Not an option! This August, the MA team will be bringing you live music in the form of 'Your Window into Early Music', a corona-proof festival combining live and virtual concerts. The Concertgebouw's concert hall and other amazing locations will be the place to be for fans of early music this summer!

Practicalities:

Pre sales for Friends of the MAfestival will commence on 13 July at 10am. General sales will commence on 20 July at 10am.

The order process is simpler than ever as there are only un-numbered tickets on sale this year. We recommend that you order your tickets on the website. If a performance is sold out, you can add yourself to the waiting list and you will be contacted if a ticket becomes available.
