Minnewaterpark

In the south part of Bruges, surrounded by trees and the adjacent Minnewaterpark, you'll find a small rectangular lake called 'Minnewater' or Lake of Love. The tragic romance of Minna and her warrior love Stromberg has evolved into local legend saying that you will experience eternal love if you walk over the lake bridge with your partner. This of course turns Lake of Love into an exceptionally romantic spot. Enjoy the scenery from the lake bridge, one of the benches along the lake or stroll through the calm Minnewaterpark.
