Sint-Annakerk (St Anne's Church)

This simple Gothic single-nave church, built in the 17th century, surprises with the opulence of its rich Baroque interior - the result of donations by wealthy local patrons. Admire the intricacy of the marble rood-screen, the rich wooden panelling with inset confessional booths, the canvases of Jan Garemijn and the largest single painting in all Bruges.

Saturday 11:00 - 18:00 h
