

# **Volkskundemuseum (Museum of Folk Life)**

These renovated 17th century, single room dwellings accommodate, amongst other things, a classroom, a millinery, a pharmacy, a confectionery shop, a grocery shop and an authentic bedroom interior. The upper floor is used for temporary exhibitions. You can relax in the museum inn, 'De Zwarte Kat' (The Black Cat) or in the garden, where you can try out traditional folk games on the terrace.
