Yper Museum

In the brand-new Yper Museum located in the majestic Ypres Cloth Hall, you will relive ten centuries of history in the Westhoek region, which is a story of setbacks and recoveries. An interactive and unique trail will show you the medieval metropolis in all its glory. You will see how people lived in one of Europe's most prosperous cities. You will also learn how Ypres recovered and expanded after the frenzied conflict and sickness of the 14th century to become an important fortified city. Children and young people will also have a great time thanks to their personalised cat wristband.
