## Burg (Burg Square)

The Market Square is the heart of Bruges, but the Burg Square is its soul. For centuries this has been the centre of power in the city, and Bruges' city administration still occupies the 14th century Gothic Town Hall. This grand, majestic square is lined with monumental landmark buildings. These were built over the centuries, and reflect the building style of their age. A handy architectural guide assembled in a single square! From the Basilica of the Holy Blood through the Liberty of Bruges to the Deanery. Immerse yourself in the riches of Bruges.
