I had the luck and honour to meet a few people in Bruges which are making handmade music instruments. Three men, three incredible stories. Here's part one of this series, about Dirk Defauw and his Exclusive Drums.

Handmade in Brugge: pimp your interior with some handmade stuff

[Handmade](#)

[Diana Mariaková 21 noviembre 2017](#)

Creativity has ruled the roost in Bruges for centuries, and so it comes as no surprise that the city is still home today to an extraordinary number of creative entrepreneurs. Some have gained a name and reputation, while other eagerly labour on the sidelines. But always the people of Bruges cherish their talents.

City short break: 24h in bustling Bruges

[Handmade](#)

I decide to go a little more off the beaten track ..

[Travel: in search of trendy Bruges in autumn](#)

[Handmade](#)

[Jorn Rohde 21 noviembre 2017](#)

It's the city known for chocolate milk, fries and beer. Well, that's the "boring" side of Bruges that we all know! What else do we know about the city? The historic city centre is beautiful, it has canals and swans, huge churches, and is on the UNESCO world heritage list.

[Handmade in Brugge: discover different kinds of textile in Bruges](#)

[Handmade](#)

[Claudia Henkel 20 noviembre 2017](#)

Discover and let yourself be inspired by shops, where designers apply new textiles in their work and experiment with different kinds of innovative materials.

[Bruges: home of letter connoisseurs and paper makers](#)

[Handmade](#)

[Sharon Lagat 15 noviembre 2017](#)

Wandering through the beautiful streets of Bruges it's hard not to notice the rich supply of bookshops, publishers, illustrators and the amazing artwork made by the talented craftsmen and women of Bruges. Handmade in Brugge puts the Bruges-based makers on the map, both literally and figuratively speaking. Sample their traditional craftsmanship and be surprised by the mix of ancient and modern techniques.
