New rules to climb the Bruges Belfry

Bruges' hundreds of monuments are impressive, unique and steady. They've been in the spotlight for centuries and make Bruges one of the best preserved medieval cities in the world. Even the 83 meter high Belfry dating from 1240 is holding out well, although it takes some effort to enjoy the spectacular views of the city ...

With its canals and its typically mediaeval architecture, Bruges is a truly delightful city, and an excellent destination for a change of scene, less than 3 hours from Paris by train. We spent a weekend there at the end of October. It was a chance to get away from the crowds, without having to worry about cold weather.
