[Tempting traditional delicacies from Bruges](#)

[Gastronomie](#)

[Tamara Nicolaescu 08 december 2017](#)

Gastronomy is one of the attractions of Bruges for tourists. The many specialities to be found there are the fruit of long experience, a legacy passed down through history from one generation to the next.

Nowadays, good veggie/vegan restaurant is classic thing in every city. The life with a conviction to not eat meat or dairy products is in Bruges easy – you can find nice restaurants with friendly owners in here. Here is the list of the best places to get breakfast, lunch, dinner or just have a nice coffee with tasty dessert. Everything in veggie/vegan edition!

[Markets in Bruges](#)

[Markt](#)

[Diana Mariaková 24 oktober 2017](#)

Markets are one of the typical Flemish traditions. Shopping products from local sellers in fresh air – what else do you need? In Bruges you can choose different types of markets and you can get so much more than food. How to describe this experience in three words? Fresh, high-quality and delightful. Let´s check what, where and when you can get whatever is on your mind!

[Bar en café Gastronomie](#)

[Daniela Nasteska Olsson 24 oktober 2017](#)

During our stay in Flanders, we had the luxury of being able to eat at a lot of nice and pleasant restaurants. These are my 2 favourite restaurants in Bruges. One has a really cosy and intimate atmosphere, the other one has fantastic food.
